

2021 Annual Report

Dear Friends,

This January 14, 2022, our Congregation celebrated 260 years since our founder, Blessed Fr. Jean Martin Moye asked young women to assist him in serving to teach religion to the poor children in nearby French villages. The efforts of those women bore fruit that continues to be shared around the world.

We have been so richly blessed because of the generosity and support we have received over the years for the work that we do. We thank God for you and we pray that the good we do with your assistance may continue to grow and prosper!

Gratefully in Providence,
